## Case Ticklers:

### Adoption Assistance and Subsidized Guardianship Amendments

<i>Topic:</i>	Amendments
<i>Tickler name:</i>	<b>1st Rqst for Documentation Not Received</b>
<i>Description:</i>	This tickler reminds the worker that a request for documentation for an amendment (adoption assistance or subsidized guardianship) has been sent and has not been received back from the family.
<i>How is it created:</i>	The tickler is created when a worker saves the Amended Agreement page with a row in the Documentation group box where the Type is “Request for Documentation Sent”.
<i>How is it removed:</i>	<p>The tickler is deleted in the following scenarios:</p> <ol style="list-style-type: none"> <li>1. A new row is entered on the Amended Agreement page in the Documentation group box where the Type is “Request for Documentation Sent.”</li> <li>2. A new row is entered on the Amended Agreement page in the Documentation group box where the Type is “Requested Information Received”.</li> <li>3. A new row is entered on the Amended Agreement page in the Documentation group box where the Type is “Signed Amended Agreement Received” and the Date is equal to or after the earliest date entered for a row with Type of “Request for Documentation Sent.”</li> <li>4. The Amended Agreement is Not Approved.</li> </ol>
<i>Additional comments:</i>	The tickler will display on the desktop of the primary assigned caseworker 7 days prior to the due date (45 days after the date entered in the Date field for that row). The tickler will display as a hyperlink to the associated Amended Agreement page.
<i>Topic:</i>	Amendments
<i>Tickler name:</i>	<b>2nd Rqst for Documentation Not Received</b>
<i>Description:</i>	This tickler reminds the worker that a second request for documentation for an amendment (adoption assistance or subsidized guardianship) has been sent and has not been received back from the family.
<i>How is it created:</i>	The tickler will be created when a worker saves an Amended Agreement page with a second row in the Documentation group box where the Type is “Request for Documentation Sent” (i.e. at least two rows of this type are displayed on the page).
<i>How is it removed:</i>	<p>The tickler is deleted in the following scenarios:</p> <ul style="list-style-type: none"> <li>• A new row is entered on the pending Amended Agreement page in the Documentation group box for which the Type is “Signed Amended Agreement Received” or “Requested Information Received”.</li> <li>• OR the Amended Agreement is Not Approved.</li> </ul>
<i>Additional comments:</i>	The tickler will display on the desktop of the primary assigned caseworker 7 days prior to the due date (90 days from the second sending). The tickler will display as a link to the Amended Agreement record that was saved. Clicking the link will launch the Amended Agreement page in edit mode.

## Ticklers: Creation and Removal

<i>Topic:</i>	Adoption Assistance Agreement Amendment
<i>Tickler name:</i>	<b>Expiration Reminder to Family</b>
<i>Description:</i>	This tickler reminds the worker that the Adoption Assistance (or Subsidized Guardianship) Amended Agreement is approaching its expiration.
<i>How is it created:</i>	The tickler will be created when an Amended Agreement receives final approval and the Decision on the Amended Agreement is 'Approved'.
<i>How is it removed:</i>	<p>The tickler is deleted in the following scenarios:</p> <ul style="list-style-type: none"> <li>• The worker launches the Notification of Amended Agreement Expiration page and saves the page where a row has been inserted and the Sent checkbox for at least one row is selected.</li> <li>• OR the Amended Agreement is Made in Error.</li> </ul>

### AFCARS

<i>Topic:</i>	AFCARS
<i>Tickler name:</i>	<b>AFCARS Exceptions – Foster Care</b>
<i>Description:</i>	This tickler is an indication that federal reporting elements are incomplete.
<i>How is it created:</i>	The tickler is created on open cases where the child is currently in placement (or was in placement previously and whose case is still open for services) and AFCARS data is missing, incorrect, or otherwise inconsistent with AFCARS reporting expectations. AFCARS ticklers are generated nightly.
<i>How is it removed:</i>	The tickler is removed when the missing AFCARS data is entered into the AFCARS Exceptions page or other designated page. Ticklers will not be removed until all AFCARS errors that produce a tickler are resolved and the nightly batch process is run.
<i>Additional comments:</i>	Cases subject to AFCARS reporting requirements are children or juveniles in out of home care, included court-ordered kinship care, placement cases and pre-adoptive foster care cases who were in placement for more than one day (during the AFCARS reporting cycle) and the case is not closed for services in eWiSACWIS. AFCARS ticklers prevent case closure. Please see the AFCARS User Guide on the Knowledge Web for more detailed information regarding specific AFCARS errors and how to correct them.
<i>Topic:</i>	AFCARS
<i>Tickler name:</i>	<b>Adoption AFCARS Exceptions</b>
<i>Description:</i>	This tickler is an indication that federal reporting elements are incomplete.
<i>How is it created:</i>	The tickler is created for each child where adoption AFCARS data elements are missing, incorrect, or otherwise inconsistent with AFCARS reporting expectations. AFCARS ticklers are generated nightly.
<i>How is it removed:</i>	The tickler is removed when the missing AFCARS data is entered into the AFCARS Exceptions page or other designated page. Ticklers will not be removed until all AFCARS errors that produce a tickler are resolved and the nightly batch process is run.
<i>Additional comments:</i>	<p>The adoptive parents' exception and tickler processing will depend on whether the adoptive mother and the adoptive father are documented in the child's record:</p> <ul style="list-style-type: none"> <li>- If both the mother and father are documented, the batch program will generate an exception (and tickler) for element #22 (Adoptive Family Structure), if the marital status is not 'Married Couple,' 'Legally Separated,' or 'Unmarried Couple' on the Person Management record for the mother and father. It will also generate an exception (and tickler) for elements #23, 24, 25, 26, 27 and 28, only if these values are missing from the adoptive parents' Person Management records.</li> <li>- If only the mother is documented, the batch program will generate an exception (and tickler) for element #22, if the marital status is not 'Single Female' on the adoptive mother's Person Management record. It will also generate an exception for elements #23, 25, and 26, if these values are missing from that same Person Management record.</li> <li>- If only the father is documented, the batch program will generate an exception (and tickler) for element #22, if the marital status is not 'Single Male' on the adoptive father's Person Management record. It will also generate an exception (and tickler) for elements #24, 27, and 28, if these values are missing from that same Person Management record.</li> <li>- If neither the mother nor the father is documented, the batch program will generate</li> </ul>
